### Private Drive Snowplowing in the Town of Sand Lake

The rates will remain the same: \$150 for drives up to 660 feet; \$200 for drives 660 to 1320 feet; \$250 for drives 1320 feet and over.

Driveways must meet the following requirements to be accepted for plowing in the 2005-2006 season:

- 1) Driveways must have a 30 foot wide minimum entrance and be 20 feet wide minimum throughout.
- 2) Drive must be clear to 20 feet wide and 14 feet high and clear of all rocks, ruts, stumps, and debris.
- 3) Ample room is required to turn around equipment.
- 4) No plowing will be done unless the ground is frozen. Private driveway plowing will only be done after all mail and school bus routes and town roads are open.
- 5) The Town, the Town Board, and the Town employees will not be liable for damage done to personal property left in or adjacent to the plow area including mailboxes, markers, ornaments, trees, plantings, structures, etc.
- 6) If a drive is found not to be in compliance, it will not be plowed.

**In order for your driveway to be accepted for plowing for the 2005-2006 season, payment must be received no later than November 15, 2005.**

To accept these conditions, mail payment to:

Town of Sand Lake  
Marlene Halonie, Treasurer  
5435 Austin Lake Road  
Webster, WI 54893
